Your current Board of Directors and Management team have been completely transparent about their ambitious, long-term growth plan for the Company. More importantly, it is clear to us that

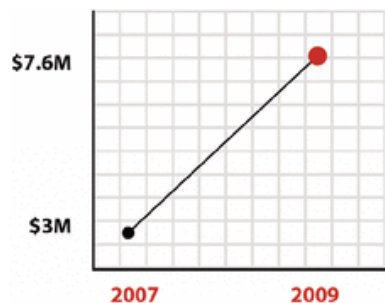

this strategy is working. Since 2007, Asure's board has worked to increase revenue by more than 150%, improve margins, and operate more efficiently by reducing our workforce by 51%. We strongly urge you to show your support for the Board by promptly returning the WHITE proxy card sent to you by the Company and voting FOR each of the Board's director nominees — Richard J. Agnich, Nancy L. Harris, Lou Mazzucchelli, Ray R. Miles, Richard N. Snyder and James H. Wells — and in favor of the other proposals listed on the card.

On behalf of Asure's Board of Directors, thank you for your continued support and interest in Asure Software.

Sincerely,
Nancy L. Harris
President, Chief Executive Officer and Director

The facts speak for themselves.

In the past six years, the current Board of Directors and Management team have successfully integrated two acquisitions — NetSimplicity and iEmployee — that serve high-growth, high-margin markets. During this transformation, we have also reduced the Company's expenses by 93% and, despite the recent harsh macroeconomic environment, we have reported solid financial and operational results in recent quarters.

Revenue has grown from \$3M to \$7.6M in 2009*.

Margins have improved from 76% to 80% in 2009*.

Our workforce has decreased from 190 in 2007 to 97 today.

*For the 9 months ending 4/30/07 and 4/30/09 respectively

Our vision is unchanged: Asure's current leadership has put the company on track to be the leading provider of on-demand workforce management software solutions to the small and mid-sized business market.

The choice is clear: VOTE with the WHITE proxy card today FOR Asure's current leadership and ensure the Company's long-term, continued success.
